Францискѣ Листу

съ глубочайшимъ уваженіемъ

посвящаетъ

Милій Балакиревъ

С. Петербургъ 1884 г.

Тамара.

Въ глубокой тѣснинѣ Дарьяла,
Гдѣ роется Терекъ во мглѣ,
Старинная башня стояла,
Чернѣя, на черной скалѣ.

*

Въ той башнѣ высокой и тѣсной
Царица Тамара жила,
Прекрасна, какъ ангелъ небесный,
Какъ демонъ—коварна и зла.

*

И тамъ, сквозь туманъ полуночи,
Блисталъ огонекъ золотой,
Кидался онъ путнику въ очи,
Манилъ онъ на отдыхъ ночной.

*

И слышался голосъ Тамары:
Онъ весь былъ желанье и страсть,
Въ немъ были всесильныя чары,
Была непонятная власть.

*

На голосъ невидимой пери,
Шелъ воинъ, купецъ и пастухъ;
Предъ нимъ отворялися двери,
Встрѣчалъ его мрачный евнухъ.

*

На мягкой пуховой постели,
Въ парчу и жемчугъ убрана,
Ждала она гостя. Шипѣли
Предъ нею два кубка вина.

*

Сплетались горячія руки,
Уста прилипали къ устамъ,
И страстные, дикіе звуки
Всю ночь раздавалися тамъ,—

*

Какъ будто въ ту башню пустую
Сто юношей пылкихъ и женъ
Сошлися на свадьбу ночную,
На тризну большихъ похоронъ.

*

Но только что утра сіянье
Кидало свой лучъ по горамъ:
Мгновенно и мракъ и молчанье
Опять воцарялися тамъ.

*

Лишь Терекъ въ тѣснинѣ Дарьяла,
Гремя, нарушалъ тишину:
Волна на волну набѣгала,
Волна погоняла волну.

*

И съ плачемъ безгласное тѣло
Спѣшили онѣ унести...
Въ окнѣ тогда что-то бѣлѣло,
Звучало оттуда: „прости!“

*

И было такъ нѣжно прощанье,
Такъ сладко тотъ голосъ звучалъ,
Какъ будто восторги свиданья
И ласки любви обѣщалъ...

М. Лермонтовъ.

Thâmar.

(Poésie de M. Lermontow).

Dans l'étroit défilé du Darial sauvage,
Où mugit le Térek tout chargé de vapeurs,
Se profilait—brunie aux souffles de l'orage,—
Une tour, dominant les sombres profondeurs.

*

Cette tour ancienne, aux lignes élancées,
Une reine—Thâmar—l'habitait autrefois,
D'un ange ayant l'aspect, d'un démon les pensées,
Cruelle, astucieuse, et divine à la fois.

*

Des brouillards de minuit fendant l'humide voûte,
Un point vif, lumineux brillait dans le lointain;
Le passant l'observait dans sa tardive route,
Croyant d'un gîte sûr l'indice certain.

*

Et soudain une voix vibrait dans le silence—
D'un accent pénétré, d'un timbre séducteur;
Cette voix exerçait une étrange puissance,
Elle embrasait les sens et remuait le coeur.

*

A l'appel de Thâmar—péri mystérieuse—
Se rendait le marchand,—le pâtre,—le guerrier;
Une porte pour eux s'ouvrait silencieuse,—
L'eunuque aux sombres traits était là pour veiller.

*

Mollement étendue,—aux ors de sa tunique
Mêlant l'éclat nacré des perles d'Orient—
Apparaissait Thâmar—vision féerique...
Dans deux coupes le vin débordait, pétillant.

*

En étreintes de feu les bras s'entrelaçaient,
Chaque baiser rivait deux souffles pleins d'ardeurs.
Des cris passionnés dans l'ombre s'amassaient,
Réveillant de l'écho les stridentes clameurs.

*

Il aurait pu sembler qu'un grand festin nocturne
Eût réuni là cent couples jeunes, fougueux,
Ou bien qu'en cette tour—naguère taciturne—
D'un grand rit mortuaire on célébrât les jeux.

*

Mais aux premiers rayons dont l'aube matinale
Eclairait les sommets,—incontinent le bruit
Cessait de cette orgie indomptée et brutale,
Et tout redevenait—morne silence et nuit.

*

Seul alors—le Térek, troublant la solitude,
D'un orage lointain avait les grondements,
Et de ses flots houleux l'active multitude
Formait, en s'enlevant, des sillons écumants.

*

Le rapide torrent, affolé d'épouvante,
Entraînait dans ses plis un corps inanimé...
A ce moment suprême, une ombre blanchissante
Envoyait un „adieu“, de loin, au bien-aimé.

*

Cet adieu respirait une si tendre ivresse,
La voix qui l'exprimait avait tant de douceur,
Que tout dans ces accents, pénétrés de promesse,
Semblait peindre un prochain et immense bonheur...

(Traduit par **N. Stcherbatcheff**).

„Такъ какъ печатать цѣлое стихотвореніе Лермонтова въ концертной программѣ было-бы затруднительно, то будетъ достаточно помѣстить слѣдующее:

Въ мрачномъ Дарьяльскомъ ущеліи, „гдѣ роется Терекъ во мглѣ“, стояла старинная башня. Тамъ жила царица Тамара. По выраженію поэта, она была

Прекрасна, какъ ангелъ небесный,
Какъ демонъ—коварна и зла.

На чарующій призывъ ея сходились путники на пиршество, и

Страстные, дикіе звуки
Всю ночь раздавалися тамъ.
Какъ будто въ ту башню пустую
Сто юношей пылкихъ и женъ
Сошлися на свадьбу ночную,
На тризну большихъ похоронъ.

Утромъ наступала опять мертвая тишина, нарушаемая лишь шумомъ клокочущаго Терека, уносящаго безгласное тѣло.

Въ окнѣ тогда что-то бѣлѣло,
Звучало оттуда: „прости“!
И было такъ нѣжно прощанье,
Такъ сладко тотъ голосъ звучалъ,
Какъ будто восторги свиданья
И ласки любви обѣщалъ...

Le petit poëme de Michel Lermontow — „Thâmar“ —devant nécessairement présenter quelque difficulté à être reproduit en entier sur un programme de concert, il suffirait, dans ce cas, de n'en donner que l'extrait suivant:

Dans l'étroit et brumeux défilé du Darial, où mugit le Térek, s'élevait anciennement une tour qu'habitait Thâmar,—une reine—selon la description qu'en fait le poëte:

D'un ange ayant l'aspect,—d'un démon les pensées;
Cruelle, astucieuse, et divine à la fois.

Cédant à une attraction invincible, le passant—fût-il guerrier, pâtre ou marchand—se rendait à son appel enchanteur et prenait part à la fête...

Des cris passionnés dans l'ombre s'amassaient,
Réveillant de l'écho les stridentes clameurs.
Il aurait pu sembler qu'un grand festin nocturne
Eût réuni là cent couples jeunes, fougueux,
Ou bien qu'en cette tour, naguère taciturne,
D'un grand rit mortuaire on célébrât les jeux.

Mais à peine l'aube venait-elle dorer les cimes des montagnes, que tout retombait dans un morne silence, uniquement troublé par le mugissement des ondes bouillonnantes du Térek, qui emportait vers la mer un corps inanimé. Alors, apparaissant aux fenêtres de la tour une ombre blanche:

Envoyait un „adieu“, de loin au bien-aimé.
Cet adieu respirait une si tendre ivresse,
La voix qui l'exprimait avait tant de douceur,
Que tout dans ces accents, pénétrés de promesse,
Semblait peindre un prochain et immense bonheur.
